

Amendments to the Claims:

The listing of claims will replace all prior versions, and listings, of claims in the application.

Listing of Claims:

1. (Currently amended) A space heater comprising a housing, a moveable and flame effect means in the housing, ~~the flame effect means comprising~~ a source of light to illuminate the moveable flame effect means in the housing, and a screen through which light is transmitted from the housing, characterised in that light is directed from the light source through the moveable flame effect means onto a reflector, and reflected light passes again through the moveable flame effect means onto the screen.
2. (Previously presented) A space heater according to claim 1 wherein the flame effect means comprises a sheet of flexible material.
3. (Original) A flame effect means according to claim 2 wherein the sheet of flexible material is provided by a sheet of silky material.
4. (Currently amended) A space heater according to ~~claims~~ 2 or 3 wherein the sheet of flexible material is crepe-de-chine.
5. (Currently amended) A space heater according to ~~claims~~ 1, 2 or 3 wherein the flame effect means is provided with openings.
6. (Original) A space heater according to claim 5 wherein the openings are elongate.

7. (Currently amended) A space heater according to claims~~s~~–1, 2 or 3 wherein the material providing the flame effect means is suspended loosely within the housing, and means is provided to cause the material to “billow”.
8. (Original) A space heater according to claim 1 wherein the flame effect means comprises ribbons, means being provided to cause the ribbons to move.
9. (Currently amended) A flame effect means according to claims~~s~~–1, 2, 3 or 8 wherein light passing through the screen is provided at a number of different levels.
